INVITATION TO TENDER (OPEN)

REF: PRN000885

PROJECT	ACTIVE
Task	Supply and Delivery of Refrigerated Pickup Truck - Mogadishu
Description	ADRA seeks to procure a pickup truck with mounted and insulated, refrigerated bodies. The refrigerated pickup trucks should be designed for fresh and chilled products transport, ensuring dependable temperature control and long-lasting durability. The mounted body should be made from fiberglass with insulation to keep perishable goods cool, with a reinforced steel chassis and airtight door seals to maintain consistent cooling. It should have smooth, hygienic interior to allow easy cleaning, and an UV-stable exterior to retain a clean professional look. It should be perfect for dairy and cold chain deliveries and offer efficient, reliable transport. This ITT seeks to identify and engage a suitable supplier to undertake the supply and delivery within the shortest stipulated time limit.
Invitation Start Date:	24th December 2025
Application submission Deadline:	11th January 2026

Submission of Tenders	Completed, Signed and Stamped tender bid documents should be scanned and saved in PDF format and sent by email to dedicated, controlled, & secure email address : Tenders@adrasom.org by close of day on 11th January 2026. The title of the email should be: "Supply and Delivery of Refrigerated Pickup Truck for Mogadishu" All tender emails received after the close of business on 11th January 2026 will not be considered. IMPORTANT: Offers submitted in any other manner than that indicated above will not be considered.

Essential Evaluation Criteria	These are criteria which bidders must meet in order to be successful and progress to the next round of evaluation. If a bidder does not meet any of the Essential Criteria, they will be excluded from the tender process. These criteria are scored as Pass or Fail; and bidders who fail will not be evaluated against capability and commercial criteria. The essential criteria are listed below: a) Bidder submits Federal Tax Registration Number & Compliance Certificate b) Bidder submits Federal Business Registration Certificate c) Bidder provides statement that confirms goods offered meet specifications provided in invitation to tender
--------------------------------------	--

CAPABILITY CRITERIA (60%)

The maximum score for capability criteria is 60% - broken down as below. Only bids with a Capability score of 48% or more will be considered for Commercial evaluation.

1. Previous experience in supply of motor vehicles -20%

Provide past signed and stamped contracts as evidence

- a) 20 Points for three or more supply contracts with Government, INGOs or UN for supply of similar refrigerated or specialised vehicles. Copies of signed contracts with official signature and stamp to be submitted.
- b) 10 points for two supply contracts with Government, INGOs or UN for supply.
- c) 5 points for points for one supply contracts with Government, INGOs or UN for supply.
- d) 0 Points for zero food supply contract

2. Financial Capacity (20%)

Provide an official bank statement for the last 1 year as evidence with genuine transactions.

- b) 10 points for two payments or balances of value comparable to estimated value of current tender,
- c) 5 points for one payment or balances of value comparable to estimated value of current tender,
- d) 0 points for no payment of value comparable to estimated value of current tender.

3. Lead Time 20%

Provide the deliverable lead-time.

Note: Delivery lead-time is the time from date contract is signed to delivery of supplies to the agreed location in full compliance with contract terms and conditions. Ranking and scoring will be based on most realistic lead time for delivery at place (**Incoterms DAP**) of such a vehicle. Most reasonable time scores highest points.

COMMERCIAL CRITERIA (40%)

The lowest evaluated financial proposal will be awarded the maximum commercial criteria score of 40%.

The commercial criteria score for all other bidders will be calculated using the formula below:

$$\text{Commercial criteria score} = 100 \times \left[\frac{\text{Lowest bid value}}{\text{Current bid value}} \right] \times 0.4$$

All Capability and Commercial Criteria will be weighted accordingly to reflect their importance. The Commercial Criteria will account for at least 40%. The Capability Criteria will account for up to 60% of the score.
